

Internship Position – Munich Jewellery Week 2025

We are looking for a motivated intern to join our team for 3–6 months and contribute to the **production of Munich Jewellery Week 2025**, celebrating its 10-year anniversary edition. This is a unique opportunity to gain hands-on experience and be actively involved in the planning and execution of one of Munich's most dynamic cultural events.

Your tasks will vary depending on your motivation, skills, and abilities, offering a chance to develop in areas that interest you. These may include contributing to the distribution strategy for MJW Paper and building relationships with local selling points, assisting in setting up and maintaining the festival HQ, and providing direct support to visitors by sharing information about events and exhibitions. You'll also have the chance to manage online platforms like the website and social media, help coordinate logistics for printed materials and merchandise, research and liaise with suppliers, identify new promotional opportunities, and collaborate with the press to enhance the festival's visibility.

This role offers an immersive experience and requires presence in Munich during the internship, encompassing the preparation phase and the festival itself. German language skills are a strong advantage.

To apply send your CV and a Motivation Letter titled INTERNSHIP to info@munchijewelleryweek.com until 30th of January.

Join us to be part of the team bringing this special anniversary edition to life and make MJW 2025 an unforgettable celebration of jewellery and creativity!
